Piano

making my way down-town walking fast faces fast and I'm home bound
staring blankly ahead just making away
making a way through the crowd

and I need you
and I miss you

and now I wonder if I could fall in-

to the sky do you think time would pass me by cause
you know I'd walk a thousand miles if I could just see you tonight

it's always times like these when I think of you

and I wonder if you ever think of me

cause everything's so wrong and I don't belong
living in your precious memory

cause I need you

and I miss you

and now I

wonder if I could fall into the sky do

you think time would pass me by oh, cause you know I'd walk a
thousand miles if I could just see you tonight
don't wanna let you know I, I, drownin' you memory
I, I, I've
fallen making my way downtown walking fast faces fast and I'm home bound

staring blankly ahead making my way making a way through the crowd and I still need you
and I still miss you

and now I wonder if I could fall into the sky
do you think time would pass us by because you know I'd walk a

thousand miles if I could just see you

if I could fall into the sky do you think time will
pass me by cause you know I'd walk a

thousand miles if I could just see you if I could

just hold you to-night
